Dana,

Three times in August the crew arrived after the window closed: August 6 (window ended 9:00, crew in at 9:40), August 13 (ended 9:00, in at 9:25) and August 27 (ended 9:00, in at 10:05). On the 27th the board president was in the lobby waiting for them.

I know your standards document says a credit applies. I would rather talk about how we keep this from happening in the fall than argue about the number, but the board will ask me about both.

Gretchen Aldana
Property Manager, Eastern Promenade Condominium Association

Hi Gretchen,

That is on us, and I'm sorry. Three in one month is not what you are paying for.

Marcus is moving Crew C's first stop of the day so your building is the 7:00 start, not the second stop after Stroudwater. That starts Tuesday.

On the credit: I'll make it right on the September invoice and I'll bring the exact figure to you after our ops meeting on the 18th so the board has it in writing.

Thanks so much,
Dana
