Hi Dana,

Quick one. We are dropping the Saturday floor polish from the schedule, the hygienists said it is not needed now that the new flooring is in. Two evening visits a month is still right.

We have been at \$640 a month. With the Saturday piece gone, can we move to \$560 a month starting with the August visits?

Thanks,

Renee

Hi Renee,

Yes. \$560 a month effective August 1, two evening visits, no Saturday polish. I'll have Elena update the invoice so August bills at the new rate.

If the hygienists change their minds about the floors, just tell us and we'll add it back for that month.

Thanks so much,

Dana
