Dana,

The board would like the exterior windows on floors three and four done before the fall. Can your crew add that to the weekly visit?

Simone

Hi Simone,

No, and I'd rather tell you that than have a crew member on a ladder where they should not be. Our crews do not go above the second rung of a ladder outside. Floors three and four need a lift and a specialty vendor.

I can send two names we have worked with, and we'll do the first and second floor glass on the regular visit at no extra charge.

Thanks so much,
Dana
